### 2023-24 U13AA Programming Update

At the direction of Hockey Alberta's AA Committee, the Sherwood Park Kings Athletic Club will offer 1 (one) U13AA co-ed team for the 2023-2024 season.

This decision is in accordance with Hockey Alberta Information Bulletin 21:06 – U13 AA Structure Changes and is supported by the registration numbers within SPKAC's U13AA recruitment area, as well as the decisions of competing clubs in similar situations.

The decision applies to the upcoming 2023-2024 season and will be re-evaluated at the end of the season. The Club seeks to announce the coach of the team by the Spring ID Camp on April 15th and 16th.
